

# I'm Hungry Now

## Adding Products to your Library

### 1. Login

Go to: [www.gfpsites.com/login.php](http://www.gfpsites.com/login.php)

Click Login

Username: Contact us to create your Login

Password: menus

Go to the products page: [Products](#)

On the Products page you will find a "Library" of food items that you may choose to use for your Daily Specials.

If you see an item you want to use, click "Edit". The details will appear in the boxes above the table/list. Make your changes and click "Activate", then Save the item.

### To add a new item, read the following....

### 2. Enter Product Name

Enter the price next to the Product Name

Product name	Caesar Salad w/ grilled chicken	\$8.00
Price	For Online Ordering	

*Ignore the Price Box,  
it is for our online ordering system*

### 3. Enter Product Description

Description - optional	
w/ free fountain drink	

*Attributes are not applied, just type  
in the description.*

**When you are finished click "Add Product"**

NOTE: Be sure to click the "Show Inactive Products" button to view the entire Library.

## To add your menu items to your Daily Specials Faxes

Go To: Daily Specials [Daily Specials](#)

Product name	Delete
w-Crecked Peppermill Turkey Wrap \$6.99	<input type="checkbox"/>
s-All American Chicken Sub \$6.89	<input type="checkbox"/>

Save Code Back to specials Cancel

Products

Product name	Add
All American Meatloaf Sub \$6.99	<input type="checkbox"/>
ANY SANDWICHES FROM THE MENU	<input type="checkbox"/>

Active items are in the lower table. Click "Add" and "Save".

In the box above the product you selected, you can enter brief messages, such as:  
Soup of the Day  
Chicken Noodle

We add a number to each of your menu items. (Daily Specials Items) We start with #1, but we can start with any number you like, or no number at all. Just tell us your preference.

And if have other needs, just ask us. If we don't have a solution, we will try and create it

**You add your menu items,  
we send your faxes!**
